

JP INDUSTRY SHENZHEN CO., LTD.

Honesty * Quality * Innovation

Established in 2001, we are a manufacturer of bags and cases in Shenzhen China. Our product category includes cosmetic & jewelry bags and cases, eyewear and watch bags and cases, handbags and other gift & premium items. Our factory (about 30,000 sq. ft.) employs around 80 well trained workers and capable managerial staff, and is equipped with comprehensive production facilities.

Quality is our company's prime concern, thus strict quality control is exercised throughout the entire processes.

Our competitive edge is based on "honesty, quality and innovation". In the past 25 years, we have accumulated extensive experience in handling high-quality brand-name products, either OEM or ODM, which have generated favorable comments worldwide.

Contact us now, we are right here ready to render our best service to you.
